CHAIRMAN'S MESSAGE

I am delighted to present our 3rd Annual Report for the Financial Year (FY) 2022. This year has been remarkable for all of us here at Theta Mu Lambda Charitable Foundation. We emerged more resilient and reinvigorated from a pandemic environment that left us with minimal resources to pull from. I am grateful to our supporters for helping us make this happen.

We are grateful that during 2022, a total of 26 scholarships were awarded. Of the 26 scholarships, 24 were students graduating from high school and going to college, and 2 were renewals from previous years. With our community outreach program, we supported a community turkey drive supporting three different areas (Harvey/Dixmoor, Ford Heights, and University Park) raising funds for 526 turkeys and an additional donation of 100 turkeys.

Grandma's Help for Christmas drive - The combined collected funding is \$9,655.50, which is funding for 76 families.

Our 26th annual golf outing is July 8, 2023, at the Glenwoodie Golf Course in Glenwood, IL starting at 11:00 a.m. Our 32nd annual Black and Gold Gala will be held on November 11, 2023, at the Tinley Park Convention Center, Tinley Park, IL. To date, the Foundation's monetary blessings through donations and fundraisers have given it the opportunity to distribute over \$256,000 in monetary awards to students pursuing their college dreams. Applications for the TMLCF scholarships are awarded to the students of South Suburban High Schools and made available to students in January. Each applicant's material is reviewed by the scholarship committee and if selected is called to schedule an oral interview. Funds are distributed to the college or university of the scholarship awardee. All first time recipients are eligible to receive an annual renewal based on meeting proper GPA requirements and submitting official transcripts.

Thank you for awarding me an educational scholarship as I continue my education. I look forward to attending college in the fall. Having scholarships to help support my education is very important. I will also continue to engage in community service as it provides a person like myself the opportunity to remain an active member of the community and has a lasting positive impact on society at large. I am incredibly grateful for your support.

LEADERS FOR TOMMOROW PROGRAM

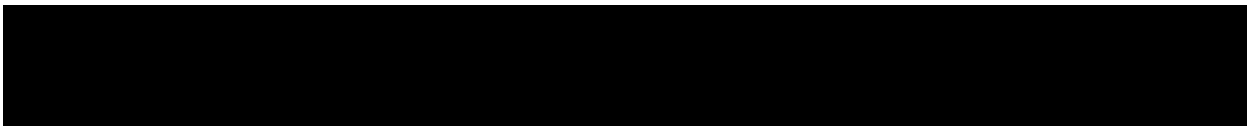

"A man can make what he wants of himself if he truly believes that he must be ready for hard work and many heartbreaks. None of us got where we are solely by pulling ourselves up by our bootstraps. We got here because somebody – a parent, a teacher, an Ivy League crony or a few nuns – bent down and helped us pick up our boots."

- Thurgood Marshall

Our **Leaders for Tomorrow Program** of TMLCF offers eligible African-American middle school and high school students ten (10) weeks of academic enrichment, leadership developmental skills, prevention awareness and professional developmental program activities.
